Immunex Corporation is a leading biopharmaceutical company dedicated to improving lives through immune system science innovations.

Note: Except for the historical information contained herein, this news release contains forward-looking statements that involve substantial risks and uncertainties. Among the factors that could cause actual results or timelines to differ materially are risks associated with research and clinical development, regulatory approvals, our supply capabilities and reliance on third-party manufacturers, product commercialization, competition, litigation and other risk factors listed from time to time in reports filed by Immunex with the Securities and Exchange Commission, including but not limited to risks described under the caption "Important Factors That May Affect Our Business, Our Results of Operation and Our Stock Price" within our most recently filed Form 10-Q. The forward-looking statements contained in this news release represent our judgment as of the date of this release. Immunex undertakes no obligation to publicly update any forward-looking statements. An electronic version of this news release - as well as additional information about Immunex of interest to investors, customer, future employees and patients - is available on the Immunex home page at www.immunex.com.
